

LET'S MAP AND VISUALIZE

**SPRING HILL
SUB-AREA**

EXERCISE 1:

1. Grab the color sticker from the topic you'd like to map and stick the dot at the location.
2. Add a comment with an arrow to the sticker to give any context you'd like

EXERCISE: 2

1. With this exercise, we want to understand **WHAT YOU PICTURE WHEN YOU HEAR THESE WORDS / PHRASES.**
2. Grab a dot and place it below the picture that best represents what you think the topic area should look like in this sub-area.

GROW

Areas where controlled growth is suitable.

POST-IT NOTES

SUSTAIN

Areas experiencing growth at an appropriate pace and density.

POST-IT NOTES

PROTECT

County assets that should be protected from growth and development.

POST-IT NOTES

THREATS

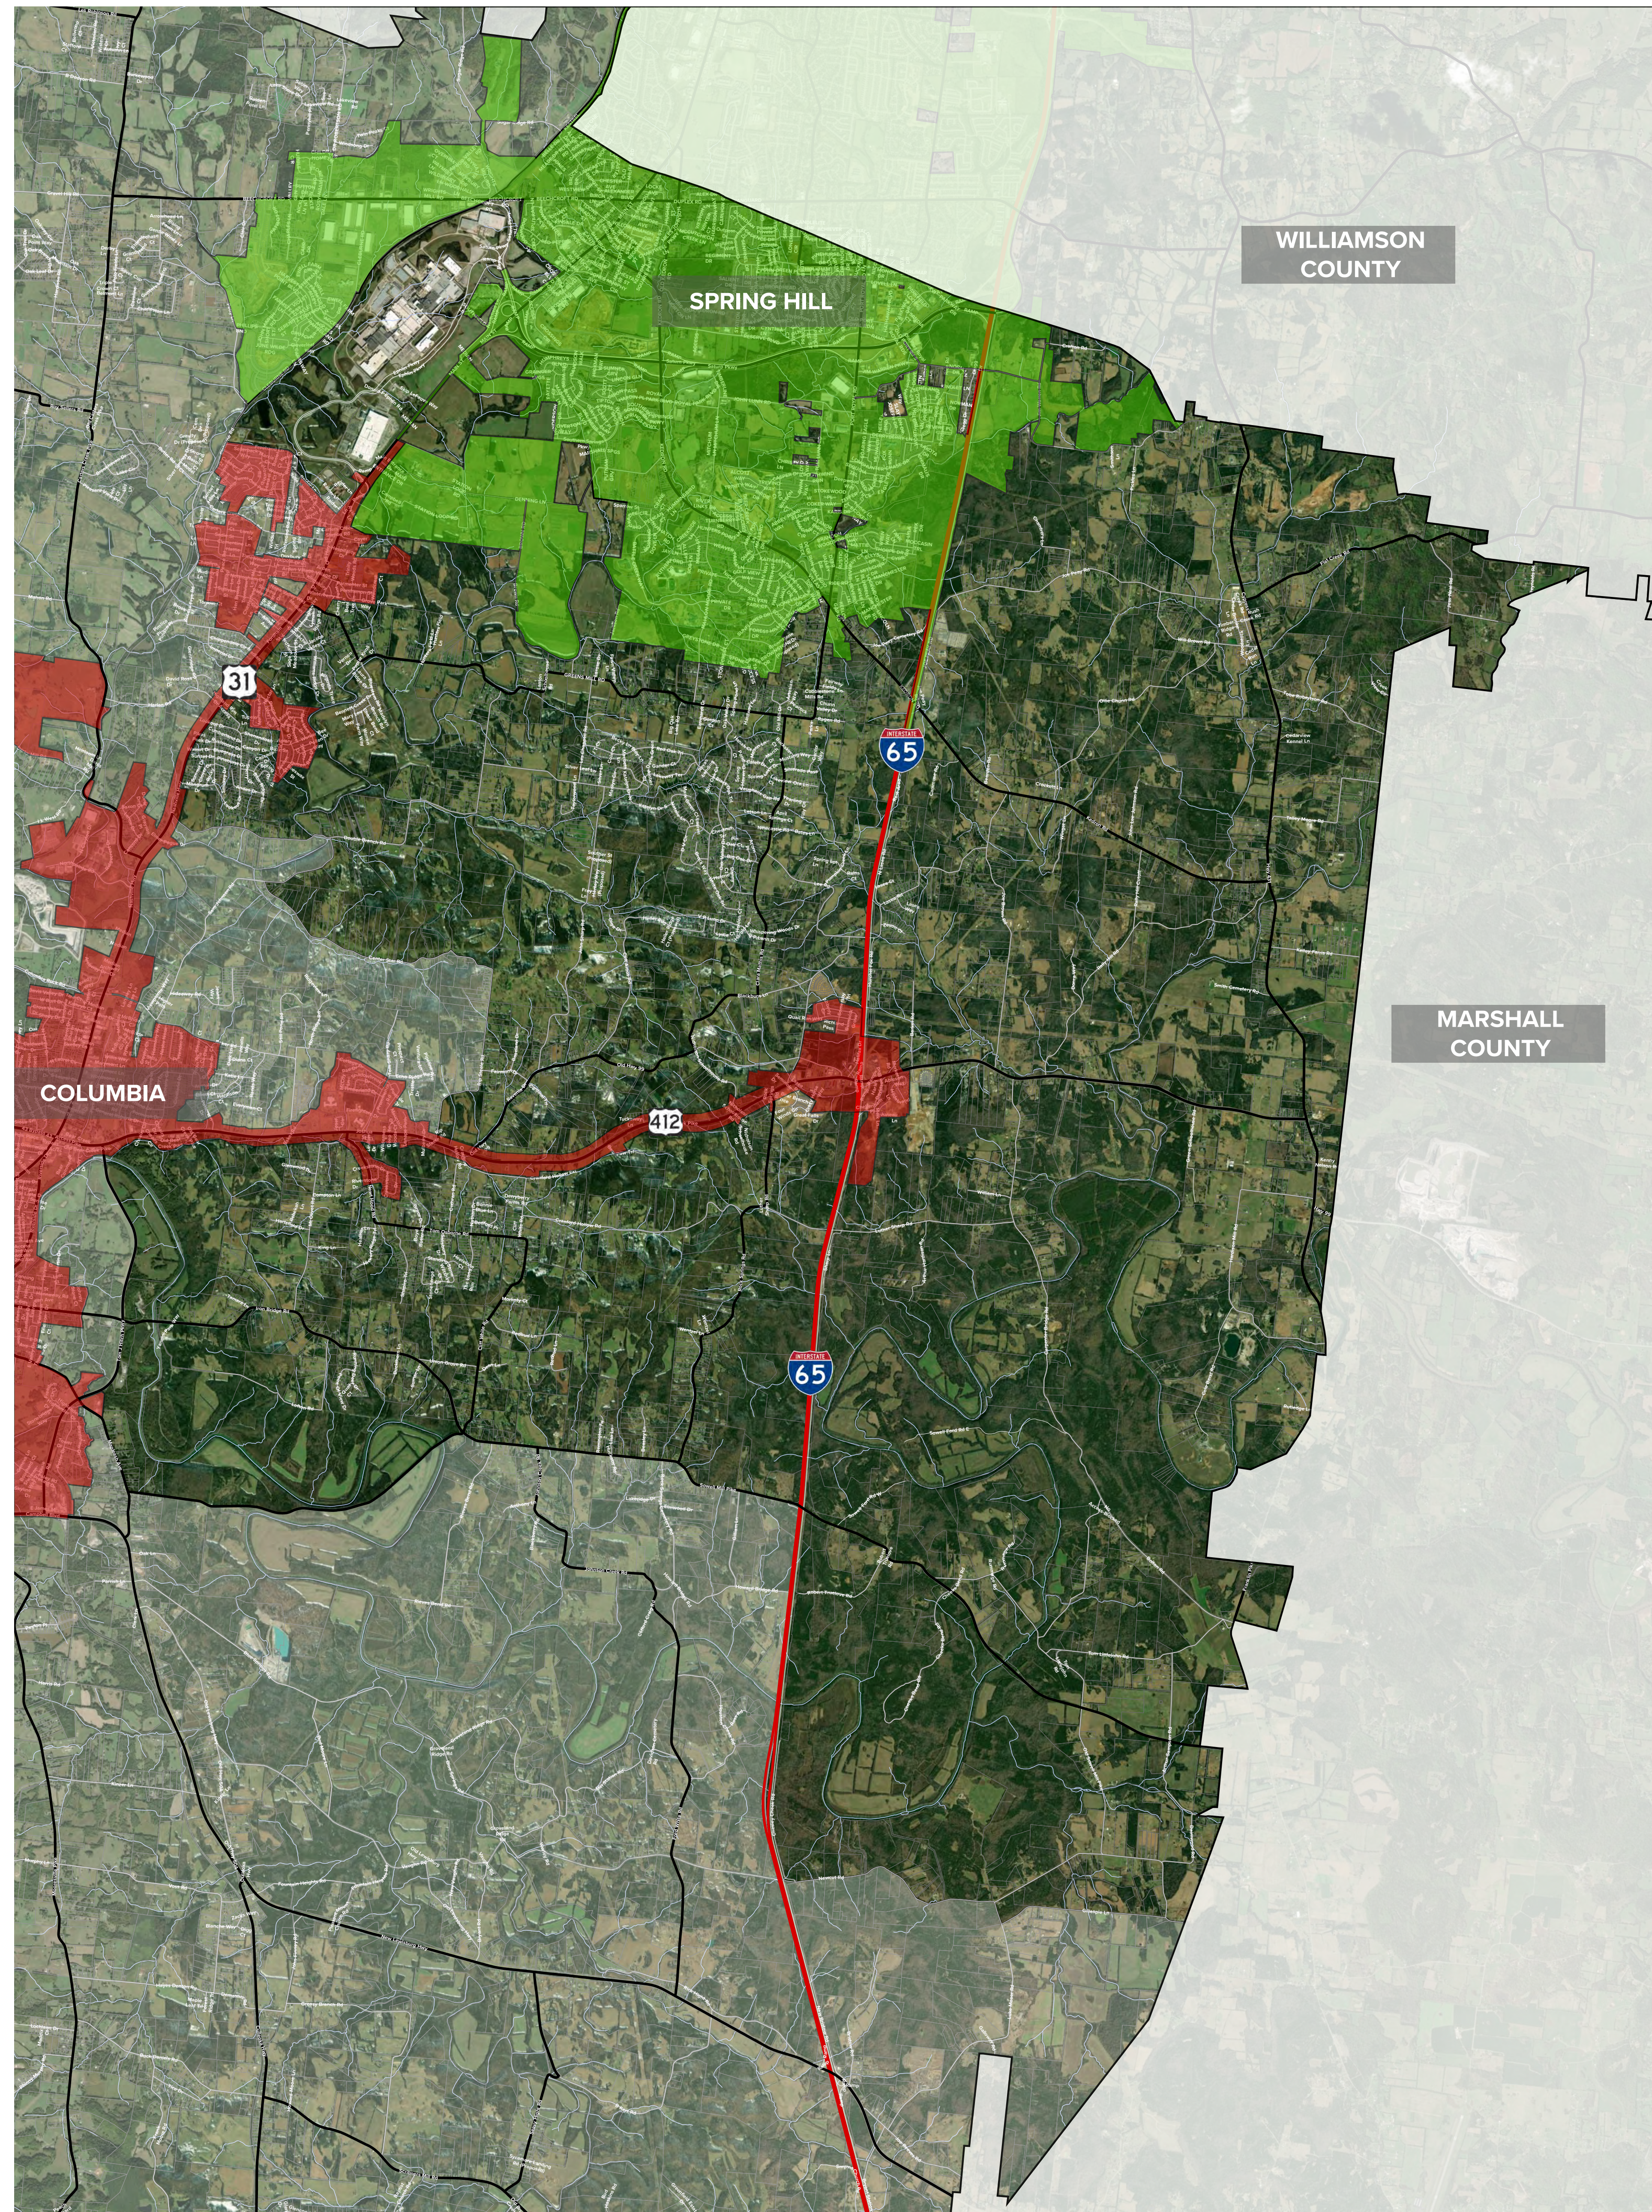

Areas that are causing harm, or could cause harm to the county.

POST-IT NOTES

NOTES

Feel free to write down any additional notes or feedback you have about locations on the map

POST-IT NOTES

RURAL CHARACTER should look like...

RESIDENTIAL should look like...

RETAIL/COMMERCIAL should look like...

I'D LIKE TO SEE things like...
